From the Potentate's Desk

by 2019 Potentate I.S. Todd Weedman

Looking across my yard, I come to the realization that obligations have drawn me elsewhere long enough for the pesky weeds to creep in, and it is clear they will soon reach bush status if the weed-popper and I don't spend some time together clearing out those undesirables.

I have no regrets tending to obligations, be what they may – but the weeds are a reminder to keep balance in my life and spend my time wisely. In the Masonic Lodge we are introduced to this concept by means of the twenty-four inch gauge – a segmented representation of our time to be balanced between family, work, rest, personal pursuits,

and self-improvement. We should not only do this daily, but also monthly, annually, and throughout the larger portions of our lives. We as living beings have seasons just as does our environment, which is worthy of our contemplation. Your dream to be a bull rider is ill advised to be fulfilled later in life, while other endeavors can be enriching the majority of your days.

It is important to consider how you spend your time and energy. What does it achieve, and what is the purpose of your actions? The Swiss psychiatrist Carl Jung wrote heavily on this topic, saying “the sole purpose of human existence is to kindle a light of meaning in the darkness of mere being.”

Most of us are fortunate to have our basic necessities of safety, shelter and food met. As expressed in Maslow's Hierarchy of Needs our next concern is a sense of belonging through relationships and personal accomplishment. This resembles the spring and summer seasons of human life. Not being satisfied with this, we feel a need for a higher purpose and look for deeper meaning to our existence.

Now we are at the steps of the highest level, when we are near reaching our full potential, commonly referred to as self-actualization. So what does that mean? In general, it is when you apply all of your life experience, knowledge and talent to a noble purpose that is not merely for your own benefit. I feel participating in volunteer organizations is an awesome way to belong, build relationships and apply your given talents for the greatest good. And such collaborations will certainly shape the associates into better people and move them towards a more fulfilling purpose.

Jung further expressed that your life is an autobiography that you need to take ownership of, and to be deliberate in its content, because if you're not the lead character in your own story, you will likely have a minor part in someone else's. Therefore, we should choose to live a life beyond mere existence, and remember there is no need to wait until fall or winter to be the hero in your life novel.

Please excuse my ramblings as I go out to tend to those weeds.

Chaplain's Report by Noble Kenton Wolfe

I recently saw a slogan that might be timely. "Don't close the book when bad things happen. Just turn the page and start a new chapter."

How often do we continue to do the same things over and over, or hold a long-term grudge, or keep unsuccessfully digging a deeper hole? Sometimes we need to move on, try something different or proceed in a new direction. This not only can apply in our personal and family lives, but in other situations as well.

How often in our Lodge and Shrine do we continue to do things that might not produce the best results? Maybe it is time to turn the page and start over with new ideas and perspectives.

We are fortunate in Oregon Masonic Lodges as well as Al Kader Shrine to have many members and leaders who have new ideas and are willing to try new things. That is going to continue to serve us well in the future. Let's embrace change, try new things and turn a page in our book.

We are now well into the fall season and schools are well underway. I think it is interesting to observe the enthusiasm of young people who recently returned to school, college and institutions of learning. Do we have that same enthusiasm as we head into the fall season at our Lodges and at Al Kader Shrine?

We have an exciting month at Al Kader with the Ceremonial, Live at the Shrine Dance, Food Caravan, visit from the Imperial Potentate, and our Stated Meeting. Check our website and Oasis Magazine as well as information from our appendant bodies. There is a lot going on. Come on out to these events. Many can involve your lady, family, friends, and prospective members.

Get active, attend, become involved and participate in our activities. You will receive much more than you contribute and enjoy the fellowship and fun also.

We need some clouds in our life to make a beautiful sunset.

An incoming tide lifts all boats

Concert Band

By Noble Jeff Zimmerman

As the summer fades and the days become shorter we start to enjoy the wonderful, comfortable autumn season that Oregon is blessed with. As usual, it was nice to cap-off the summer hustle-and-bustle with the Family Picnic at Oaks Park, it was a great time for our extended Shrine family to relax together and trade stories about the adventures of the last few months. A tip of my FEZ to the Shriners, Ladies, and families that expend so much energy to make the picnic a great time for all. The Concert Band was pleased to furnish a short concert of upbeat, festive tunes to help set that "picnic mood." We had several of our associate member musicians join us and help produce that full sound that we all enjoy.

A big THANK YOU goes out to the musicians that sat in with our Al Kader Band at many of our appearances these past few months. The band was enlarged by our associate members for all the parades, football weekend in Baker City, and Run for A Child in Bend; these players came from many places in Oregon and Washington and we truly appreciate their support, dedication, and musicianship. Thanks also to the three musicians from El Korah Temple in Boise for joining our band for the Baker City performances We hope they come back again next year and bring more players.

The band took a break from weekly rehearsals during the summer, but we are back to our regular schedule now, we meet most Monday evenings, 7 p.m. in Harrington Hall, 1st floor at the Shrine Center in Wilsonville. We have started working on concert pieces for our winter appearances and would love to expand our ranks. If you or a family member or friend is looking for a reason to start playing that band instrument again, we have a spot for you. If you would like more information, give me a call: 503.359.1927.

Fine for now.

East-West Shrine All-star Football Committee

Noble Bryan Braun, Chairman

The 67th Annual East-West Shriners All-Star Football Game was held in Baker City at the Bulldog Memorial Stadium. As per usual there were numerous events going on here for several days before the Saturday event. BBQ's and breakfast's seemed to be everywhere with lots to

enjoy. There was no going hungry – that's for sure! The weather was great for all manner of outdoor events & not oppressively hot for August.

There's a lot of prep work and coordination by many to make this a success every year. A big thank you to all who helped again this time. Time to start to ramp up for the 68th next August. Gotta stay ahead to get'er done and ensure a better go of it with each passing year. We had our wrap-up meeting the Sunday following the game to recognize our successes and focus on areas that can be improved upon. There is always some turn over in positions as well and we have some opportunities for individuals who are interested in helping out for Shriners and non-Shriners alike. I say this, because it was 13 years ago before I was a Shriner when two men, Dick Kirby and Wayne Lewis, approached me to help coordinate this game of all-star football players. It was one of the best decisions I have made in my life and lead me to join and to be on a path with one the world's greatest fraternities. The positions that we are needing to fill include secretary, game coordinator assistant, team manager, queens/co-captains director and publicity director. Job descriptions will be available for review prior to our next game meeting set for Sunday October 20th at 9:00 a.m. at the Al Kader Temple. I hope to have a great showing of Clubs and Delegates, since it is Food Caravan weekend.

This is a huge event for Baker City and the many local groups that participate and we want all to

come and enjoy all the festivities year after year. We enjoy incredible support from communities across Oregon. The East-West game is held the 1st Saturday in August. If you haven't come before, you need to make it a point to do so & enjoy the hospitality & good will (food too!) of the "east side."

Baker County Shrine Club

Noble Don Burrows

We would like to extend our thanks along with the other clubs to IS Todd Weedman, his officers and the Al Kader Shrine Temple for a top notch cold sands ceremony. We added 3 new Nobles and new blood is always a good thing in our fraternity. We benefited with one of the three being a brother from our Blue Mountain Lodge #34 and now a Noble as a member of our Baker County Shrine

Club. Noble Mike Ware has exceeded our most important requirements that he has demonstrated on more than one occasion that he is not a "side liner," but a hard worker and not afraid to throw in on whatever needs to be done. We look forward to his help with this band of merry Nobles. So not hats off, but Fez on to Noble Mike Ware, your journey is just beginning.

We would also like to thank the Nobility as a whole for all the parts and pieces that they are involved in regarding the East-West Shriners All-Star Football Game. We hope everyone had a great time. We are so proud of our community for opening their arms wide to welcome in the Shrine for this wonderful event. Without their support this game would most likely not happen. So next year when you

Earl David Swenson, 96, was born in Boone, Iowa on March 9th, 1923. Memories from his childhood are wrapped in hunger. He was only 6 when the stock market crashed in 1929. He remembers his father lost the farm and moved the family into a house that rented for

\$8 per month. As a young man, he followed his peers enlisting right after Pearl Harbor and served in the Marines as a platoon scout and demolition specialist in the 1st Marine Division, which landed on Guadalcanal in 1942 under-supplied and under prepared, frequently living on captured Japanese rice. In 1943 Earl was injured and honorably discharged. He took employment at the shipyard and there met Ruth McCraw. They were married later that year and enjoyed 61 years together, until Ruth's passing in 2005.

Earl retired in 1985 after working 41 years as a network design engineer for Bell Systems. He then started serving the hungry through SnowCap Community Charities, where Ruth was on the board of directors.

Because of his childhood and memories of food strife, he has a heart to help those who currently struggle. Earl and Ruth also served with Meals on Wheels by delivering meals to seniors throughout the Portland area for 30 years. He drove until he was 92 and then "retired" again. He continues to serve by being active in his church and says he lives by H.I.M. - "Honor, Integrity and Mercy".

Earl has family ties that thread through much of western history; his great-great-grandfather was Jacques Cartier, who founded Canada – Earl is also a descendant of William Brewster, a passenger on the Mayflower, who served as an English Official and Senior Elder of the Plymouth Colony.

Earl is a devoted Mason of 73 years and a dedicated Shriner of 11 years; being a very active Greeter and was that unit's Chaplain in 2015. He has received several service awards, including the distinguished Hiram award in 2000.

Earl is definitely a man who has a passion for people and a huge zest for life!

Al Kader History

by John Smith, Historian

Peg Kehret, Small Steps: The Year I Got Polio.

Peg knew she was sick but she didn't want to miss the Shriner's parade. Her temperature quickly rose to above 100 degrees. Her neck, back and legs ached and she felt weary. Peg slept through the parade. Peg and her parents thought she had the flu.

The following morning her doctor diagnosed her with Polio.

Peg's world changed in an instant. Peg had heard that many of the thousands of people afflicted with the virus became paralyzed, unable to move their arms and legs. Peg's world may no longer include her running, holding a book or, one day, driving a car.

Peg may have been the daughter of a poor coal miner and her mother may have died in childbirth. But her father was conflicted between caring for his indigent little girl and earning money. Few Children's Hospitals existed in the early 1900's and few of them treated polio patients for free. Her father chose Peg's health and drove her to the new Scottish Rite Convalescent Hospital for Crippled Children in Atlanta, GA (the model for Shriner's Hospitals for (Crippled) Children).

Follow Peg and visit the Scottish Rite Hospital in the next Oasis.

Lincoln County Shrine Club

Mark C. Phillips, High Priest & Prophet

Ah, memories of summer long past ...

On August 24, 2019, the Lincoln County Shrine Club joined with Newport Lodge No.85 for an end-of-summer "Luau at the Lodge" in Newport. A Lodge member who had lived in Hawaii prepared homemade appetizers and entrées from the islands. More than 45 attendees participated from both the Shrine Club and the Lodge, plus some members of the local community. The highlight of the evening was singing "Happy Birthday" to Noble Ralph Thompson, who turned 95 years young that same day. He was joined by Noble Don Andreasen (also a Past Master of Newport Lodge and a past District Deputy Grand Master - District 2), who is winning his battle against cancer. Their ladies attended as well.

On June 15, 2019, the Lincoln County Shrine Club met for a potluck in Waldport, following the Beachcomber Days parade, where the Master of Newport Lodge presented an academic scholarship to Noble Don's daughter, Grace Andreasen. Grace is a recent graduate of Waldport High School, and a past East-West Queen too.

East-West Shrine Game

by Zachary Steele, 2nd Vice Chairman

Now that the 2019 contest is behind us, it is time to look forward to the 2020 game.

As you all know this game does not happen without volunteers and our delegates. We appreciate everyone who has stepped up over the years. We still need all the help we can get from minor tasks to large ones – like Secretary.

Our first meeting of the 2020 game will be October 20, 2019 @ 9 a.m. at Al Kader temple. We have struggled to make a quorum so please Clubs make sure you have your delegates there, we only have four meetings a year.

Director of Units

by Jay Carey

This Parade year is coming to an end and I want to send along my personal thanks and appreciation to each and every one of you. As the Director of Units we can only be successful with the assistance and cooperation of the Nobles in each Club and Unit. It has been said that being the Director of Units is akin to “herding cats” and I can assure you that, at times, it may have seemed like that; but, with everyone coming together, we showed the audiences at the parades that the FEZ represents fun, fellowship, and support for our Shriners Kids.

It has been my honor to fill the Director of Units role this year and, I know that it would not have been possible without each of you. Please pass along my sincere thanks to the members of your respective Units and Clubs.

Tillamook County Shrine Club

by Noble Carey Huckaba

As in anxious anticipation of the arrival of the second decade of the twenty-first century, at the August stated meeting of Legion of Honor North Coast Platoon the legionnaires elected their leaders for 2020.

This might seem a bit early to elect officers who will not assume their leadership roles for another 122 days, but perish the thought because there is much to be done in planning for a bright and busy future for the North Coast Platoon.

The Legion of Honor platoon in God’s Country was born in December, 2016 with absolutely no support from the International Legion of Honor

Headquarters. Thankfully, Ill. Sir John Nerski followed by Ill. Sir Ron Gamble and Ill. Sir Art Hermanson and Ill. Sir Todd Weedman and their Divan members have given us 100% support and encouragement in getting organized and getting through our growing pains.

Now that the North Coast Platoon is organized and through its growing pains we look to the future with great anticipation and with the leadership team just elected, we are looking forward to a great 2020.

We have been blessed with the dedication and leadership of thrice Commander W. Frank Jordan without whom the North Coast Platoon would never have become a reality. It was Commander Jordan who started with nothing, organized the platoon and guided its destiny through the trying times and growing pains.

The Legion of Honor North Coast Platoon “God’s Country” officers for 2020 will be:

Commander Harold “Ted” Johnson

Lt. Commander Victor Kee

Adjutant Carey Huckaba

Finance Officer Jesse Exton

Quartermaster Larry Evey

Past Commander W, Frank Jordan

Here it is October already and time to get ready for the trick-or-treaters. The next thing you know we will be talking about the magical Christmas holidays in the path of the dreaded winter season which will be upon us before we know it.

I hope you all enjoyed the annual Tualatin Valley Shrine Club picnic in August which was the biggest and best we have ever had. And I also hope that you also enjoyed the fellowship and entertainment provided by the members of the award winning Al Kader Oriental Band and their ladies who came out to join in the festivities. So, to the loyal members of the Oriental Band a big THANK YOU. Your attendance and music always make for a very special event.

This month the Tualatin Valley Shrine Club will be holding the first nominations for new officers for the year 2020. So, get those future leaders ready to step up to the plate and willing to serve us next year. Second nominations could be held in November with a final vote in December 2019. Installation will be in January 2020. Just a reminder that the current slate of officers may NOT serve another term in office without a special dispensation from the Potentate.

I am not sure what is planned for October's speaker or entertainment but we are always open to your suggestions. I really don't have much else to report on this month so I'll just say that our next business meeting and dinner will be at the Peppermill Restaurant at 1800 on Wednesday, October 17, 2019. I am sure at some point you have heard about the “30 second elevator speech.” While not all elevator rides are exactly 30 seconds, I certainly like the challenge of clearly communicating valuable information in one-half of a minute!

Throughout our daily lives, we are frequently asked, “Where do you work?” Or “What do you for a living?” A typical simple response would be, “Shriners Hospital for Children.” What if we had a Portland Shriners Hospital-specific 30-second elevator speech? We could really “wow” them with our answer and help spread the word about our world-class pediatric orthopedic care.

As for me, I am continuously refining my elevator speech because Shriners

Hospital for Children —Portland has achieved so many great accomplishments. For now, my 30-second elevator speech might be: “I work for Shriners Hospital for Children — Portland. We have the largest group of pediatric orthopedic surgeons on the West Coast. The patient care is excellent. We even won a national quality award in nursing. We treat kids and teenagers’ bones, muscles, and joints. AND we have a walk-in fracture & sports injury clinic 5 days a week, no appointment needed!”

The goal of a 30-second elevator speech is like a commercial. It has to be both brief and persuasive. Of course, a smile and some enthusiasm helps too! Sometimes, I simply say, “I work for Shriners Hospital in Portland. We provide world-class pediatric orthopedic care – for all kids!”

As always, I am collecting a list of bragging points to spread the word about our services. I will change my elevator speech depending on whom I encounter and what might be their specific interest. Do you have a Shriners 30-second elevator speech?
